RECORDING SECRETARY

LIUNA 204 represents over 700 members who work in the construction industry and dozens of city employees. We are writing today to proudly endorse Brandon Sakbun for Mayor of Terre Haute. It is not often that such a qualified and dedicated young professional runs for office. Brandon has met with our union on more than one occasion. He always comes prepared and ready to engage in conversations about how to grow our workforce and the city of Terre Haute. He is the right choice for Mayor because of his background in government budgets, military experience, and character. The members of LIUNA 204 will be voting for Brandon Sakbun for Mayor of Terre Haute on Tuesday, November 7th.
